Hi Leah

Including Andrew on this thread.

The letter is currently with Chris Hladick. Andrew has been in contact with Chris. There were discussions with the Corps about the FEIS timeframe among the career leadership of R10 and the Alaska District late last week, as I understand it.

Ex. 6 Personal Privacy (PP) On the last career leaders call, OFA noted that there's more of an informal process between EPA and the Corps in discussing EPA submission of its input later than timeframe identified originally for the FEIS.

Andrew is the best point of contact if you want an update on the status of the letter & timing.

Thanks

Rebecca

That is my understanding, but I have not heard official word either way. Adding Rebecca to see if she has any updates.

Hey Matt,

Can you confirm that our FEIS comment letter was due to the Corps yesterday and we decided not to send it?

Thanks,

Leah
